Re: Potable Water Tank Cleaning, Inspections and Reports

To Whom It May Concern,

On 7/13/2026 through 7/17/2026, Ron Perrin Water Technologies, Inc., will clean and inspect the following tanks at West Vernon Parish WD facilities:

- 1) 150K Ground Water Storage Tank
- 1) 231K Ground Water Storage Tank
- 1) 100K Elevated Water Storage Tank
- 1) 100K Elevated Water Storage Tank

We will be processing the photos, video and field reports for these tanks in the order they came in so we will not have them available for at least 2-3 weeks. We will mail the hard copy of the reports and will e-mail the electronic versions of these reports as soon as processing is completed.

Please contact us at the number above for any questions related to these inspections.

Thank You,
Alex Aguayo
Administrative Assistant
